

**RiverNorth Opportunities Fund, Inc. (RIV)**

***Statement Pursuant to Section 19(a)***

***of the Investment Company Act of 1940***

On February 27, 2026, the RiverNorth Opportunities Fund, Inc. (the “Fund”) paid a distribution of \$0.1306 per share to shareholders of record at the close of business on February 13, 2026. In accordance with generally accepted accounting principles (“GAAP”), the Fund estimates that 78.91% of the distribution is attributable to return of capital and the remaining portion is attributable to net investment income, short-term capital gains, and long-term capital gains.

The characterization of Fund distributions for federal income tax purposes is different from the GAAP characterization presented above. The determination of what portion of each year’s distributions constitutes ordinary income, qualifying dividend income, short or long term capital gains or return of capital is reported to shareholders on the Fund’s calendar year-end Form 1099-DIV.
